

July 17, 2017

Dear Knox Community School Corporation Student, Parent/Guardian, and Staff Member:

Based on Indiana Department of Education guidelines, students at Knox Community School Corporation will no longer be released early on a Friday school day, per current practice, **if a delay has already been implemented on the same morning.** Students will be dismissed at the regular daily scheduled time under those circumstances.

This policy modification is in effect immediately. IDOE guidelines do not allow Indiana public schools to dismiss students early on the same day a delay has also been implemented.

Your support of this policy modification is appreciated. Please feel free to contact the building administrator of your school or the Administrative Office with any questions.

Thank you,

A handwritten signature in black ink, appearing to read 'Jim Dermody', written in a cursive style.

Jim Dermody
Interim Superintendent
